- 3) Majrul SK
- 4) Rakibul Islam

Resolution:

All the teachers of Geography department have joined today's meeting to discuss about the previously mentioned agendas. As the head of the department of Geography, Anusree Kundu have played the role of president on today's meeting. As the 5th semester honours have a field survey on their syllabus, all the departmental teachers have decided that the field survey will held on 01st November, 2022 at Goas brickfield. For this purpose we have to arrange some Tutos and to reach the brickfield and also have to arrange some tiffins for the 32 students. For this arrangements we will request to the TCS to allot Rs. 3000/- to us and we will refund the remand money after completing the survey. We have decided that two departmental teachers will attend the survey. Student will prepare a field report on the basis of the field survey data for the final exam.

FINDINGS

Department of Geography
Murshidabad Adarsha Mahavidyalaya
Islampur, Murshidabad (W.B.)

- In our survey brick kiln in Roar there are very few 15 labour (below the age of 15 years). 80% child labours are migrated from other state like Jharkhand and also to Bihar.
- Among the brick kiln labours (52.38%) are not educated. Among 20% female labours are not educated.
- Maximum labours (61.09%) have come from there neighbour village pamaipur, kasimnagar, aserpara, dighirpaha etc. Some labour have come from Jharkhand state. They have not get any job according to there opinion.
- Labour quarter have not the proper hygienic sanitation. And also labour quarter environment are not proper for living. Most of labour quarter are semipaccka house. LBFA brick field was a common toilet for workers. But now a days it is not used by the workers because of it poor condition.
- Most of worker's work in day shift (78.5%) and 21.42% workers work in both shift. Most of workers work in 8-9 hours. They work from 3 am to 12 pm. But they wages is 425rs in a days.
- Major pollutants from brick manufacturing are CO_2 , CO, NO, fly ash, dust etc. which play a vital role to polluted air pollution.
- There are observed that surrounding agricultural field are damaged due to the cover of coldest ash.
- Most of the workers are effected by respiratory disease, lung disease, headache, cough, eye irritation etc due to the out come of air pollutants.
