Agendum:

To discuss and select the study area for the Educational Excursion of the 3rd Year (Honours) students and to discuss the tentative date and budget for the Educational Excursion.

Resolutions Taken:

The above signatory teachers of the Department of Geography of Murshidabad Adarsha Mahavidyalaya have discussed the above agendum and unanimously took the following resolution regarding the Educational Excursion of 3rd Year Geography Honours students.

The teachers unanimously selected Puri, Chilka, Konark, Bhubaneswar, etc as the place of visit and the Educational Excursion will be arranged in the Second week of January 2020 for 5 (five) nights and 6 (six) days. The tentative expenditure per student will be Rs 8000/- of which the college will provide Rs 2000/- per student and Rs 3000/- has been already deposited by students during their admission (Rs 1000/- per year as study tour fees). The TIC of the college and 2 (two) departmental teachers along with one Non-Teaching staff will attend the excursion as guides (which includes a lady escort) and their expenses shall be borne by the college. Approximately 27 students of 3rd Year Honours are expected to attend the excursion and they will be instructed to prepare a Field Report and submit it to the HOD of this department. Students from a weak economic background and willing to attend the excursion shall be given an opportunity to submit proper income documents to the HOD so that a prayer for concession for them can be forwarded to the TIC for approval.

at 6:00 a.m. Our train Bhagirathi express departed from Berhampore court station at 6:20 a.m. and reached Sealdah station at 10:30 a.m. After that we reached Howrah station by taxi from Sealdah and refreshed ourselves and took lunch at Food Court Howrah. Our final journey started from Howrah station by Shatabdi Express at 2.15p.m. and reached Puri station at 9:50 p.m. and reached Gadadhar Resort by auto at 11 p.m. We took our dinner on the train. Next day early morning we went to the beach to see the sunrise and took our breakfast from a beach side shop. Students taste various types of local fishes like Sardin, Swordfish, Pomfret, Parse etc. After lunch, students went to the field survey at Baliapanda to know about their social economic status. Next morning after breakfast we started our journey towards chilka lake by car. From Satapada Ghat, we took two boats to visit Chilika lake. After returning from Chilka lake we went to visit the lighthouse at puri beach and enjoyed the evening on the beach. Next day early morning after breakfast we took our reserve bus and went to visit Chandrabhaga sea beach, Konark Sun temple, Udaygiri-Khandagiri, Nandankanan zoo etc. On 15th January morning some students with a teacher went to visit Puri Jagannath temple and some people enjoyed bath at Bay of Bengal. Next day at 4:00 a.m. we went to Puri railway station to take Shatabdi Express and reached Howrah at 1:45 p.m. After taking lunch at Howrah we went to Sealdah by taxi and returned to Berhampore Court station by Bhagirathi Express at 10:00 p.m. Then the students had reached their home by car with the help of the teachers.

• Places to visit in Puri:

- Chilika lake:** Chilika Lake is the largest brackish water lagoon in Asia and second largest coastal lagoon in the world, spread over the Puri, Khordha and Ganjam districts of Odisha state on the east coast of India, at the mouth of the Daya River, flowing into the Bay of Bengal, covering an area of over 1,100 square kilometers.

- Konark Sun temple:** Konark Sun

Temple is a 13th-century CE (year 1250) Sun temple at Konark about 35 kilometers (22 mi) northeast from Puri city on the coastline in Puri district, Odisha, India.^{[1][2]} The temple is attributed to king Narasimhadeva I of the Eastern Ganga dynasty about 1250 CE.

Chandrabhaga sea beach:

Chandrabhaga Beach is situated three km east of the Sun temple of Konark, in the Puri district in the state of Odisha, India. It is 30 km from the city of Puri. Formerly Chandrabhaga was considered a place of natural cure for lepers. Chandrabhaga beach on the coast of Konark becoming India's first to get the Blue Flag certification — a tag given to

environment-friendly clean beaches, equipped with amenities of international standards for tourists.

Udaygiri-Khandagiri: Udaygiri and Khandagiri Caves, formerly called Kattaka

Caves or Cuttack caves, are partly natural & partly artificial caves of archaeological, historical and religious importance near the city of Bhubaneswar in Odisha, India. The caves are situated on two adjacent hills, Udaygiri and Khandagiri mentioned as Kumari Parvata in the Hathigumpha inscription. They have a number of finely and ornately carved caves built during the 1st century BCE. It is believed that most of these caves were carved out as residential blocks

for Jain monks during the reign of King Kharavela. Udaygiri means "Sunrise Hill" and has 18 caves while Khandagiri has 15 caves.

- Nandankanan zoo:** Nandankanan Zoological Park is a 437-hectare (1,080-acre) zoo and botanical garden in Bhubaneswar, Odisha, India. Established in 1960, it was opened to the public in 1979 and became the first zoo in India to join World Association of Zoos and Aquariums (WAZA) in 2009. It also contains a botanical garden and part of it has been declared a sanctuary. Nandankanan, literally meaning The Garden of Heaven, is located near the capital city, Bhubaneswar, in the environs of the Chandaka forest, and includes the 134-acre (54 ha) Kanjia lake.

- **Importance of this educational excursion:** There are many physical features and cultural characteristics to visit in Puri. Students had visually experienced with Crest, Trough, Wavelength, Swash, Backwash, River mouth. From the field survey experience they could know about their social economic status. There were PHE water connection in every house at Baliapanda and Puri municipality had attached a water metre in every house with the PHE connection and they deliver some fixed amount of water in free in every month. If the civilians use more than free unit of water they have to pay extra rupee for extra unit. Students can know about the age-sex ratio, language structure (maximum people talk in Odia and Telugu), literacy rate, educational structure, house types (mainly semi pakka type), sanitation facility, occupational structure, income structure of people of the Balliapanda road. Students also observed the imprints of Fani effects and also knew about the government benefits for the Fani affected people. Student visited Chilika lake, the largest brackish water lagoon of India and also identified Indian dolphin at the lake. Students also visit Konark temple which is a sandstone structure, Udaygiri-Khandagiri which consists of 18 and 15 Rock cut caves respectively. In Nandankanan Zoological park students could see various types of flora and fauna. We had captured some moments during our excursion and both the students and the Teachers had developed a family bonding.
