Department of Education

A Two days Departmental Seminar on Sustainable Development, 25th & 26th November 2019.

Report of the Departmental seminar:

Departmental seminar of Education department, Murshidabad Adarsha Mahavidyalaya, Islampur, was held on 25th and 26th November 2019. The two days seminar was organized by departmental teachers and all Honors students (1st and 3rd Sem). Acting TIC, Mr. Sri Basob Ghosh was the patron. We know that everything is very precious so we should use everything very carefully without waste of a little bit. The main topic of the organized seminar was the Sustainable Development. Apart from developing a clear understanding the knowledge of sustainability in the students, this seminar also instilled full confidence in stage performance. So that, they can easily attend higher level seminars in the future. The certificate obtained from this seminar will be useful to the students in future. So not only the students are benefited by this organized seminar but also the teachers are specially benefited.

Murshidabad Adarsha Mahavidyalaya Department of Education

A Two days Departmental Seminar on Role of Mass Media in Education, 27th &
28th May, 2022

Report of the Departmental seminar

Departmental seminar of Education department, Murshidabad Adarsha Mahavidyalaya, Islampur, was held on 27th and 28 may 2022. The two days seminar was organised by departmental teachers and all Honors students. Acting TIC, Mr. Sri Basob Ghosh was the patron. We know that present age is technology age without technology nowadays it is quite difficult to gather information and this information technology continuous to affect the lives of everyone from teachers to students. The main topic of the organised seminar was the role of mass media in education. Apart from developing a clear understanding the knowledge of media in the students, this seminar also instilled full confidence in stage performance. So that, they can easily attend higher level seminars in the future. The certificate obtained from this seminar will be useful to the students in future. So not only the students are benefited by this organised seminar but also the teachers are specially benefited.
