Annual E-governance Report approved by Governing Body REPORT ON E-GOVERNANCE Session: 2018-19

E-governance and its implementation in Murshidabad Adarsha Mahavidyalaya was in an advanced stage in the academic year 2018-19 as the college has already done software automation on 28/04/2018 for newly-introduced CBCS system. The following are various areas where e-governance has been implemented or introduced.

Infrastructural Support to Facilitate E-governance:

- Campus area: 7405.747 square meter
- Built-up area: 1370.69 square meter
- Classrooms: 16
- Smart Class Room: 01
- Total number of computers in the college: 25
- Laptops: 6 laptops are with Heads of the Departments.
- Internet facility: Yes
- Tabs: Several tabs are with faculties.
- Expenditure on maintenance of infrastructure: Yes
- Projectors: One projector for conducting class lectures
- office internet facility: Yes
- Staffroom Internet facility: Yes
- Library Internet facility: Yes
- Library: Library has Inlibnet facility since 2016
- Computer lab internet facility: Yes
- College Website: Yes
- Our website domain: <http://www.murshidabadadarshamahavidyalaya.in/index.aspx>

E-governance Related to Finance and Accounts:

- The college office is partially computerized. Employee salary is distributed through the HRMS_IFMS portal and credited to the bank accounts of individual employees.

E-governance Related to Students' Admission and Support:

- Admission of students is conducted in online mode. Software related to student administration and support is maintained by a vendor named Aidni Infotech Private Ltd... The college maintains a computerized database of students. The students are required to fill and submit their admission forms in online mode and all relevant financial transactions for the admission process are carried out through online with Net Banking, Debit Card, Credit Card, & UPI banking system. For disbursement of student scholarships every year, the college accesses and utilises information on the online portal of the Government of West Bengal. The college Library is being widely used by students. The college utilizes custom-built software (maintained by Aidni), to maintain a database for student records and other student related information.

E-Governance Related to Examination:

- Results of University Examinations are displayed in College Website. All notices relating to examinations are put up both on the college notice board as well as on the official website of the college.

Recommendations:

- E-governance should be expanded to more areas.
- Teachers and non-teaching staff should be encouraged to be more ICT-centric.

Memo No: *MAM/* / / ANNUAL REPORT ON E-GOVERNANCE APPROVED BY GOVERNING BODY Date: ___/___/___
Session: 2019-20

E-governance and its implementation in Murshidabad Adarsha Mahavidyalaya was in a good state onwards 2018-19 and the same is obvious in 2019-20. The following are various areas where e-governance has been implemented or introduced.

Infrastructural Support to Facilitate E-governance:

- Campus area: 7405.747 square meter
- Built-up area: 1370.69 square meter
- Classrooms: 16
- Smart Class Room: 01
- Total number of computers in the college: 25
- Laptops: 6 laptops are with Heads of the Departments.
- Internet facility: Yes
- Tabs: Several tabs are with faculties.
- Expenditure on maintenance of infrastructure: Yes
- Projectors: One projector for conducting class lectures
- Office internet facility: Yes
- Staffroom Internet facility: Yes
- Library Internet facility: Yes
- Library: Library has Inffibnet facility since 2016
- Computer Lab internet facility: Yes
- College Website: Yes
- Our website domain: <http://www.murshidabadadarshamahavidyalaya.in/index.aspx>

E-governance Related to Finance and Accounts:

HRMS :The college office is partially computerised. The College also uses multiple software like Public Financial Management System (HRMS) which is used to manage the funds received from the Government, Payroll Management System which helps to automatically calculate the salary, generate salary slips, disperse the salary to the bank accounts. TDS, Provident Fund, Allowances, etc all are managed by this system. Reports can be generated for all Staff members. Payments are generally made and received through online mode such as NEFT, RTGS, Bank Transfers, etc.

Accounts: The office continues to maintain its account on CAS accounts software SQL Server base Provide by Aidni Inoftech Private Ltc. Latest versions of the software to be purchased and used by the college.. Profit and loss, Balance Sheet is generated through this software only. All the analysis reports are also generated through accounts software. Appropriate security measures should be taken for maintaining confidentiality of the transactions.

E-governance Related to Students' Admission and Support: Admission of students is conducted in online mode. Software related to student administration and support is maintained by a vendor named Aidni Infotech Private Ltd. The college maintains a computerized database of students. The students are required to fill and submit their admission forms in online mode and all relevant financial transactions for the admission process are carried out through online with Net Banking, Debit Card, Credit Card, & UPI banking system. For disbursement of student scholarships every year, the college accesses and utilises information on the online portal of the Government of West Bengal. The college Library is being widely used by students. The college utilizes custom-built software namely College Automation (maintained by Aidni Infotech Private Ltd), to maintain a database for student records and other student related information like subject change, TC, Admission Cancelled etc.

E-Governance Related to Examination: Results of University Examinations are displayed in College Website. All notices relating to examinations are put up both on the college notice board as well as on the official website of the college.

Recommendations: E-governance should be expanded to more areas. Teachers and non-teaching staff should be encouraged to be more ICT-centric.
