ACTION TAKEN REPORTS ON ACHIEVEMENTS OF GREEN CAMPUS INITIATIVES

2018-19 to 2022-23

Murshidabad Adarsha Mahavidyalaya has been relentlessly engaged in introducing new green campus initiatives every year for the last five years, that is, 2018-19 to 2022-23.

1. The college has made efforts to save energy by introducing low-powered led bulbs in the Principal's room and elsewhere. The college has made it mandatory to switch off all lights, fans, ACs, computers when there is none in the rooms. The college has reduced the use of generators significantly in times of power cuts or loadshedding.
2. The college has restricted to a large extent greenhouse gas or carbon emissions. Bikes are only allowed to enter a designated corner of the college.
3. The college has largely improved its solid and liquid waste by introducing various colored dustbins/buckets etc at different places of the college. The waste/ garbages are regularly cleaned by the sweeper.
4. The college has largely improved its drinking water facility. Previously, there was only tubewell facilities in the college. Now there is a dedicated system to purify water and supply the same to various places of the college. The college has also introduced PHE water facility (Govt of West Bengal)
5. The college has also Installed low-flow taps, showerheads, toilets or other water-efficient fixtures
6. The college has consistently maintained its biodiversity. It is fully a green campus and various kinds of trees, flower plants, herbal plants, birds, insects, snakes, worms are available inside the campus.
7. The college regularly monitors the health of all stakeholders. The nodal Health officer collaborates with local hospitals and does regular health checkup camps in the campus. Regular yoga and sports are held. The college has been declared a smoke-free zone. No tobacco is allowed on campus. No drug taking.
8. All stakeholders are being regularly made aware of environmental issues. Sustainability of the environment is a duty that we always preach for.
9. All stakeholders of the college are aware of their social responsibility.
10. The college authority allocates funds for green campus initiatives as per demands by IQAC, NSS and Departments.
