4.2: Library as a Learning Resource

4.2.1

Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

Response:

The Library is automated with Koha open source Integrated Library Management Software (ILMS) (Current Version: 22.11.06.000) since 2016. Currently the web OPAC searching facilities are available through the internet. It is in the process of being fully automated in order to become one of the most modern academic libraries in a rural area.
